CONDITIONS OF ENTRY & RULES

Jacob Sheep Society

The Show & Sale will be conducted in accordance with the rules for Shows and Shows & Sales as laid down in the Society Bye-laws which are available at: www.jacobsheepsociety.co.uk/downloadable_forms.htm

We would like to draw your attention to the following:

New byelaws applicable this year:

8(p) All rams of one year or older must be kept on a halter at all times in the show ring.

9(m) Any sheep which is unsalable, i.e. not tagged correctly or rejected for welfare issues, should be removed from the market at which point the matter is deemed to be out of the Society's hands.

9(n) the description in the catalogue of Flock Dispersal will mean that the whole of the pedigree flock of that member is sold and that the flock will no longer exist. Any dispersal sale of sheep will be held at the end of the sale and they will not be inspected.

9(o) Only one handler per sheep to be allowed in the show ring at official shows and sales.

9(p) The Jacob Sheep Society, its officers, trustees and servants, shall not be held responsible for any accident, damage or loss however caused. Anyone attending a sale or other event held by or on behalf of the Jacob Sheep Society shall indemnify the Society from and against all actions, suits, expenses and claims on account of or in respect of any such damage or injury which may be so caused.

Rules relating to this Show & Sale in particular:

A vendor may only show 2 sheep in each class.

Although the byelaws state that sheep must be registered by 21 days before the date of the sale, the catalogue for this sale is produced directly from the Grassroots database and it is imperative that registrations are lodged with Grassroots either electronically or on paper (marked as including sheep for the sale) by the closing date of 28 June 2017.

Pedigree certificates of any sheep already registered must be attached to the sale entry form.

The catalogue will be produced directly from the Grassroots Database. If your sheep is not registered before the deadline it cannot be accepted in the sale.

The Tay Sachs status of all sheep either tested clear or from tested clear parents is now shown by suffixes to the registered number. These will automatically be included in the catalogue from the database so no entry in the notes boxes is necessary.

To assist the compiling of the catalogue it would be greatly appreciated if we could receive your entries sooner rather than later!

No late entries will be accepted
