

Rare Breeds Show, Singleton, 19th July 2015

There was a great turnout of sheep for the Rare Breeds Show at Singleton, but unfortunately not many Jacobs. However what they lacked in quantity was made up by quality as the Jacob Champion, a shearling ewe called Olivia, shown by Brinsbury College took the reserve interbreed as well. Thee photo shows Olivia with her handler, the judge, Rosemary Beecher and Anna Milner the class sponsor.

It was a lovely day , a little hot for the sheep but they all survived as did their owners. It is a really nice show with the emphasis entirely on the animals so hopefully next year there will be more Jacobs for the public to admire.
