

This table of contacts who work with wool in various ways is offered here in good faith, for the convenience of members. The Jacob Sheep Society do not recommend or endorse the contacts and it is the member's own responsibility if they deal with any of the contacts.

The names and contact information is as supplied or obtained from the internet. If there are any errors please contact the Jacob Sheep Society and they will be corrected.

If you know of any other wool contact that should be included please contact the Jacob Sheep Society so we can include it.
